

## GENERAL'S MARKET DINING HALL SAM HOUSTON STATE UNIVERSITY

### CLIENT

SAM HOUSTON STATE UNIVERSITY  
TEXAS STATE UNIVERSITY SYSTEM

### LOCATION

HUNTSVILLE TEXAS

### ROLE

PROJECT MANAGEMENT

### PROJECT

30,000 SQFT  
\$15.1 MILLION

Sam Houston State University has chosen ECM International as Program Manager for their ongoing campaign to enlarge and enhance their growing Huntsville, TX campus.

The General's Market Dining Hall is a next-generation facility, created with an open and transparent design. The facility has three indoor primary dining areas; Tailgate Alley, The Bearcat Kafe, and The Post Oak Kafe, all creating a combined seating capacity of 600. The facility also features a covered outside seating area with fans and decorative lighting to keep outdoor diners comfortable year-round.

The 5,200-sf kitchen has the capability of producing 3,800 meals per day and simultaneously functions as the central bakery for the campus. The servery will provide six (6) venue platforms. The facility was also constructed to serve as the campus' primary emergency food service center during disaster events with 60% of the facility being supported by emergency power.

The team completed the project on time and under budget.
