CLIENT

SAM HOUSTON STATE UNIVERSITY
TEXAS STATE UNIVERSITY SYSTEM

LOCATION

HUNTSVILLE, TX

ROLE

PROJECT AND PROGRAM MANAGEMENT

PROJECT

28,500 SQFT
\$11.3 MILLION

ECM International was engaged by the Texas State University System (TSUS) on behalf of Sam Houston State University (SHSU) to perform program/project management services for a variety of SHSU's campus projects.

The William R. Powell Student Health and Counseling Center is a 28,500 square foot facility. The facility combined and expanded the existing Student Health Center and the existing Student Counseling Center into a new two-story facility that provides physical and mental health services via 17 exam rooms, 3 triage rooms, 19 counseling rooms, pharmacy, lab, dental office and doctors, nurses and administrator offices. In addition, there is a 74-seat divisible conference room with a full array of technology which is used for staff development and wellness education.

SHSU realized a savings of \$500,000 compared to budget.
